

**University of Moratuwa**  
**Department of Electronic and Telecommunication**  
**Engineering**  
**Training Programme on Photovoltaic Power Conversion**  
**Systems 2017, 3<sup>rd</sup> Intake**

The department of Electronic and Telecommunication Engineering of the University of Moratuwa will entertain applications for the following training programme, which will commence on 25<sup>th</sup> November 2017.

- Course name: Photovoltaic Power Conversion Systems
- Duration: 6 Saturdays
- Rate: Rs. 45,000.00
- Course Outline:

Introduction PV power conversion system	PV cells, modules and arrays
PV system configurations	Power converters
Maximum power point tracking	Energy storage
Industry best practices use in installations	Relevant standards and testing methods

#### **Eligibility Requirements**

Professionals and technicians who are interested in getting a sound knowledge in photovoltaic power conversion system design, installation and testing.

**How to apply:** Application available at <http://ent.mrt.ac.lk/web3/index.php/academic-programs/short-term-courses>. Completed applications should be sent to the following mail address or e-mail address. Successful candidates will be informed within week after the closing date and the payment procedure will be informed with the letter of acceptance.

**Mail:** Damith Kandage  
Course Assistant,  
Training programme on Photovoltaic Power Conversion Systems,  
Department of Electronic and Telecommunication Engineering,  
University of Moratuwa.  
Katubedda, Moratuwa.

**E-mail:** [sc-entc@uom.lk](mailto:sc-entc@uom.lk)

**Tel:** 2650634-7 Ext.3314 or 077 4 289821

**Closing date of applications:** 21<sup>st</sup> November, 2017

Registrar, University of Moratuwa
